THE PRESENT DIRECTOR GENERAL OF THE KORONA HOTEL IN EGER IS MR. LASZLO ZWANZIGER. He is also a member of the Advisory Committee of the Communist Party for the province of Eger (Mitglied des Ausschussrates der Kommunistischen Partei für den Landdistrikt Eger). He lives in Eger in Diófakut utca 22 and has been a member of the Communist Party since 1919. In March 1945 the Jewish Council preferred a number of charges against him in connection with the embezzlement of Jewish property; for he had been a member of the Pfeilkreuzler Party (Nyílas) in the German period. During that period he took into custody the property of several Jewish families including 4 402 1 1/2 kilos of gold belonging to the family of Sandor Bass. The Bass family was deported by the Germans and did not return. After the war, however, Zwanziger did not return to the Jewish Council the gold and other Jewish property which he had had in custody. However, nothing happened to Zwanziger because he had been a Communist as early as 1919 and therefore rated as a thoroughly trustworthy type.
