Offer Of Chemical Products

SOURCE TRIESTE: TRIESTE businessman who received this offer.

DATE OF OBSERVATION: July 1952.

\* \* \* \*

The state commercial enterprise of SOFIA - "Raznoiznos" - has offered on sale abroad, during the month of July 1952, the following chemical products:

Camphor DAB 6  
Camphor, technical, synthetic  
Magnesium oxide DAB 6  
Potassium bromide DAB 6  
Menthol DAB 6  
Potassium salpeter 99/100 per cent  
Lignite Wax, double bleached  
Potassium ferrocyanide  
Magnesium carbonate  
Chloroform DAB 6  
Sulfanilamide  
Ammonium carbonate.

The offer is general, without specification of quantity or prices; the "Raznoiznos" requested that interested firms may let it know the quantities required in order to make concrete offers, adding, however, that prices should be intended for delivery fob BURGAS or fob HAMBURG, eventually c & f (cost and freight.)

For the payment of this merchandise the "Raznoiznos" propose the system of bank credit openings or compensation.

EVAL. COMMENT: None.
