

6 JULY 1961

Oder-Neisse

Considerable attention is being given in the Polish press and radio to the 11th anniversary of the German Democratic Republic's "guarantee" of the Oder-Neisse. The anniversary commemoration fits neatly into the overall anti-West German campaign now decidedly prevalent in Poland and elsewhere in the bloc.

The "30th millionth Pole"

Preparations are being made for the imminent birth of the "30th millionth" Pole. Odds are being given here that he or she will be born in the Western territories.
