912AM

HAD SESSION WITH THREE-EM PEOPLE YESTERDAY RE MICROFILMING  
RESEARCH PAPERS, AS DISCUSSED DURING MUNICH VISIT. PACKAGE LOOKS  
EVEN BETTER THAN WHEN I TALKED WITH YOU.

THREE-EM WILL COME UP WITH FIRM PROPOSAL LATER THIS WEEK,  
WHICH WILL BE PASSED ALONG FOR DISCUSSION.

HOWEVER, NEED SOME INFORMATION FROM MUNICH BEFORE  
PROPOSAL CAN BE PUT TOGETHER. THIS CONCERNS BACKLOG OF PAGES,  
AS DISCUSSED WITH BOB KNAUF. WE NEED ESTIMATE OF BACKLOG OF  
PAGES PER YEAR FOR RESEARCH PAPERS IN MUNICH, AS 1963 - 10,000;  
1962 - 9,000 ETC., WITH INDICATION HOW FAR BACK WE CAN GO.  
NY LIBRARY BELIEVES FILES HERE COMPLETE BACK TO 1964, SO  
MICROFILMING OF EARLIER YEARS WILL HAVE TO BE DONE IN MUNICH.  
THREE-EM FEELS THIS NO PROBLEM AND WILLING TO DO.

APPRECIATE HAVING THESE FIGURES MESSAGED SOONEST POSSIBLE,  
HOPEFULLY IN NEXT COUPLE OF DAYS.

REGARDS

END MSG
