PERSECUTION  
Expulsions

People without a certificate of work are expelled from GDYNIA.

This measure was first applied in 1948. At that time the persons offering to meet the expenses for the repair of their houses, were left alone. The expulsions started again in 1950, and are still in force. Those getting expulsion orders have to leave the city within 3 to 4 days.

DATE OF OBSERVATION:

Summer 1951
