

Austrian Delegation in Bucharest

A delegation of the Austrian "Voest" company arrived in Bucharest January 18 to negotiate on development of industrial cooperation between Rumania and Austria, Agerpress reported on January 18. The delegation was received by Ion Marinescu, Rumanian deputy minister of Heavy Industry.

Tractor Exports to Cuba, East Germany

Of the 2,000 tractors being send to Cuba in accordance with the trade agreement between the two countries, 1,600 have already been delivered according to Agerpress on January 18. Another 2,000 tractors will be delivered to East Germany. Agerpress also reported that 7,000 tractors have been exported to various European, Asiatic and African countries in the last two years. Rumania will produce 20,000 tractors altogether this year.
