KATOWICE (3802)

STALINOGROD RAILWAY STATION BEING ENLARGED

SOURCE STOCKHOLM: Confidential source.

DATE OF OBSERVATION: Current period.

EVALUATION COMMENT: None.

+ + +

The buildings to the left from the railway station in STALINOGROD (KATOWICE) are being removed. This is being done in connection with the enlargement of the KATOWICE railway station.

The main works are to start in the next few days. New rails are to be laid and platforms destined for trains going to WARSAW are to be constructed.
