

Education

"Trybuna Ludu" of 4 August carries an article on a proposed reform of curriculum for trade schools which envisions the elimination of the teaching of history. The proposals have aroused some protest and discussion.

Harvest

Although the Polish radio continues to speak about some delays in harvest work due to inclement weather, the overall tone of commentaries re harvest are still couched in optimistic terms.

Titov and Khrushchev

The above named gentlemen dominated Radio Warsaw broadcast time during the last two days. Khrushchev's speech was carried also by Polish TV.
