OUTGOING CIPHER MESSAGE

NU 140 25 SEP 64

TO WALTER ZIFF, STEINER, ROBSON, F, BURKS, ZIFF, SMITH, SCHNEIDER, MILLER, WATER

25/1566

THE WarpEr COMMISSION REPORT WAS DISCUSSED AT THE 15 O'CLOCK
MEETING. IT WAS DECIDED THAT STERNER'S DRAFT HDS ISSUE WILL BE
REVIEWED UPON RECEIPT HERE AND ISSUED AS SOON AS POSSIBLE TO
PROVIDE BD'S MAXIMUM OPPORTUNITY TO PREPARE COMMENTARY. BD'S
ARE HANDLING COVERAGE ON AN INDIVIDUAL BASIS. MR. DAVIS IS
PROVIDING DETAILS IN A SEPARATE MESSAGE. IN GENERAL, MUNICH
BD'S WILL BE CONCENTRATING ON EAST EUROPEAN REGIME REACTIONS.
POLISH REGIME IS ALREADY TAKING THE POSITION THAT ONLY A
LEGALLY CONSTITUTED COURT IS JUSTIFIED IN MAKING SUCH
JUDGMENTS AS DOES THE REPORT. DURING THE DISCUSSION,
MR. BEDE QUESTIONED WHETHER THE HUNGARIAN BD SHOULD, IN FACT,
PROVIDE EXTENSIVE SUMMARIES. IT WAS POINTED OUT THAT THE
HUNGARIAN BD HAS ALREADY BEEN CRITICIZED FOR PROVIDING LIGHT
COVERAGE IN THE PAST. MR. NOAK COMMENTED THAT QUESTION-
ANSWER MATERIAL, IF CONTAINED IN THE REPORT, WOULD PROVIDE
AN EXCELLENT BASIS FOR PROGRAMMING. IT WAS STRONGLY URGED
THAT THE HUNGARIAN BD USE THE OPPORTUNITY IF SUCH MATERIAL IS
FORTHCOMING. MR. BEDE STATED HE WOULD ENDEAVOR TO PROVIDE
FULL COVERAGE.

END MSG.
