The "Protopop" of CURTEA DE ARGES, District Arges, TOPOLOGEANU Petre, is reported to be an informer working for Securitatea.

TOPOLOGEANU was appointed "Protopop" in 1949, and was assigned to St. Nicholas Church, the largest church in town; his predecessor, the Priest DOBAINESCU (fnu) most respected by the population was transferred to a smaller church in the suburbs.

TOPOLOGEANU does not bother to hide his contacts with the Security Office. He is often seen during office hours entering or leaving the office of Colonel UNCUREANU (fnu), the local Security chief, and it is generally known that he is on the list of Party members.

TOPOLOGEANU extends his activities also to neighboring villages, in which he has his own spies, not all of them employed by the church.

He is 46 years old, is married and has a daughter, which completed her college studies in CURTEA DE ARGES and, in 1950, was admitted to the Faculty of Pharmacy of BUCHAREST University. TOPOLOGEANU is known for his great avidity for money. In 1950, he purchased a house near St. Nicholas Church. "TOPOLOGEANU is buying houses" people say, "while we are obliged to sell ours."
