

Public Prosecutors' Tasks: According to 'Nepakarat', it was stated at a recent conference of public prosecutors that they would in future lay greater emphasis on "regular legal investigation". The correct legal procedure must be adhered to "even in cases involving termination of employment for counter-revolutionary activities" when a clear and unambiguous reason for dismissal must be given. Public prosecutors must also "defend bulk buying and consumer prices". (Budapest for Hungarians in W Europe 05.30, 3.10.57)
