The Trial of Egon Turcsanyi

Question: When will the trial of Egon Turcsanyi open? Is it true that Cardinal Primate Mindszenty will be summoned to appear as a witness?

Answer: The time will come for Egon Turcsanyi's trial when the competent Hungarian organs deem it fit. On the proposal of the representative of the Prosecution or the Defence Mindszenty or any other person can be summoned as a witness. However, I do not think that it will come to that.
