BERIA MAN STILL IN JEWISH UNION.

SOURCE BERLIN: Expert on Jewish affairs.

DATE OF OBSERVATION: Early May 1956.

EVALUATION COMMENT: This is a useful report. Among other things we learn from it that the true name of MIRSKI is TABACZNIK. The title of the respective article in "Nowe Drogi" of January 1953 is "Syjonizm - narzedzie amerykan-skiego imperializmu" (Zionism - an Instrument of American Imperialism.)

+ + +

At the time of the famous physicians' trial in MOSCOW and the SLANSKY trial in PRAGUE, Poland was the only "People's Democracy" which made no official statement on these "BERIA affairs." There was no article published on these two incidents by any of the official Communist personalities.

The only exception was made by one man, the Jewish author Michal MIRSKI (his true name is TABACZNIK, we have reported several times on him,) a member of the presidium of the Cultural-Social Union of Jews in Poland. This man wrote a long article on Zionist agents, Jewish physicians, murderers, espionage by the American Joint Distribution Committee, etc., etc., which was published by "Nowe Drogi" (official organ of the central committee of the Polish Communist Party) No. 43 in January 1953.

Today, long after the unmasking of the "BERIA-affair," the "BERIA agent" MIRSKI is still a member of the CSUJ presidium.
