ADDITIONAL NAMES, ČSR LEGATION IN
STOCKHOLM.SOURCE STOCKHOLM: Own reporting.DATE OF OBSERVATION: Current.

EVAL. COMMENT: This report supplies an appreciated list of members of the ČSR Legation at STOCKHOLM. Only five of the persons under reference were previously reported here: Věra KOLACKOVÁ, secretary to Rudolf HOLAS; Rudolf HOLAS, commercial attaché; Bohumil SLÁDEK, driver of the ČSR Legation; BEZACINSKÝ, a "Chemaspol" representative at the recent STOCKHOLM Fair / see STOCKHOLM RFE Item No. 7534/54. / One DREXLER Josef was dealt with in MUNICH RFE Item No. 12428/52. He was also reported as a functionary of the ČSR Foreign Trade Ministry; however, at that time to be active in Western Germany. It seems that this report is slightly misleading since it is believed here that from DREXLER onward - except for KOLACKOVÁ, HOLAS and SYKORA - the named persons do not belong to the permanent staff of the ČSR Legation in STOCKHOLM, but were attached there only for the duration of the St. Erik's Fair.

A Miss Růžena KOLAČKOVÁ was the secretary to Rudolf HOLAS, the present Legation Commercial Attaché. She was also the political leader of the Legation and reported to be a very sharp gal. She returned to the ČSR about a month ago and is supposed not to return to Sweden.

Rudolf HOLAS himself is ill at the present time and is in the ČSR.

SÝKORA /fnu/ is reported to be a "photographer" at the ČSR Legation, but there is no information on him.
