RE MUN 2 OF MARCH 2. WELLS' INFORMATION IS MOST HELPFUL  
TO US. IT IS TRUE THAT IT ALONE WILL NOT SOLVE THE PROBLEM  
BUT EVEN IN THESE DAYS OF NUCLEAR WARHEADS, THERE IS A  
REAL PLACE FOR CONVENTIONAL WEAPONS. AGAINST CERTAIN TYPES  
OF GUERILLAS THE LATTER ARE THE MOST EFFECTIVE. JP WILL  
BRING YOU UP TO DATE ON WHOLE SITUATION WHEN HE SEES YOU  
NEXT WEEK.  
END MSG.
