

COMMUNIQUE OF THE HUNGARIAN
NEWS AGENCY ON
11 July 1958
ON THE CIRCUMSTANCES OF MRS. RAJK 1/

- "Some Western News Agencies and radios have spread rumors that Mrs. Rajk and other persons had been sentenced to capital punishment and had been executed in Hungary.

"These falsifications concerning Mrs. Rajk and other persons have no basis whatsoever, for there is no police investigation nor judicial enquiry in process at all against Mrs. Rajk.

"The rumors serve the sole purpose of keeping up and underlining with falsified information the anti-Hungarian campaign conducted since the 1956 counter-revolution."
