FIRST WORLD CONGRESS FOR THE PREVENTION OF WORK ACCIDENTS

SOURCE ROME: ROME News Bureau.

DATE OF OBSERVATION: Current period.

CORRESPONDENT'S COMMENT: Our reporter was asked by the RFE Czechoslovak Desk to cover this Congress, and he is sending his material in Czech directly to MUNICH, where it can be translated into English for use by all Desks.

EVALUATION COMMENT: None.

* * *

The first International Congress for the Prevention of Accidents at Work is taking place at ROME, April 2 to 6 1955. Delegates from the countries behind the Iron Curtain are among those taking part.

Listed below are the names of all the delegates from the countries behind the Iron Curtain which are represented at the Congress. All these persons are at present in ROME, with the exception of the Czechoslovak representatives who, at the time of preparing this report (1300 hours, April 5 1955) had not arrived. It is thought they will arrive this evening or tomorrow morning.
