SOURCE AUDIENCE ANALYSIS SECTION: Provincial daily SZTANDAR LUDU (Lublin), Vol.XI, No.299(3561), December 16, 1955, p.2, short article signed JAD.

AUDIENCE ANALYSIS SECTION COMMENT: The allegation that RFE claimed that Silesia was being colonised by Chinese is a hardy perennial which crops up in regime arracks about once a year; no such claim has ever been broadcast since the establishment of the Polish Desk in 1952.

EVALUATION COMMENT: None

(This short article is an attack on Mr. KWIATKOWSKI, editor of the emigre paper NARODOWIEC, who claimed that a number of Russians were turned into Polish citizens for political work)

Excerpt:

"...Do you know who Mr. KWIATKOWSKI is ? Mr. KWIATKOWSKI is an old expert on populating our territories with foreigners. Two years ago, inspired by FREE EUROPE he started colonising Silesia with Chinese, having imported 100,000 of them all at once. As you know there are no Chinese in Silesia, and never have been, while Mr. KWIATKOWSKI was lying for money from a well-known source..."
