PARTY COMMITTEES LIQUIDATED IN GDYNIA.

SOURCE STOCKHOLM: Confidential source.

DATE OF OBSERVATION: Current period.

EVALUATION COMMENT: There must be some confusion in this information. Tadeusz STULA, once educational officer on M/S "Batory" was elected in August 1955 delegate of the Polish merchant marine to the Provincial Party Conference. His election to secretary of the city's CP Committee has never been reported to date. Maybe he represents only the PMH there.

End.
