

Situation Report -

3 June 1959

Romania -

Scanteia report from Tirana stresses atom free zone proposal and Stoica proposal for Balkan conference. Reports from Geneva are mainly factual. Top regime leaders attended opening of Red Chinese exhibition in Bucharest. Article by Romanian communist leader Borila appears in new issue of World Marxist Review. N.Y. Times reports that Israeli government is postponing collection of loan intended to help pay for expenses of formerly anticipated continuing large scale emigration from Israel.
