His Excellency  
Dr. Charles Malik  
President of the Thirteenth United  
Nations General Assembly  
NEW - YORK 16 N.Y.

*S. Brucke*  
Madrid, 26<sup>th</sup> November 1958.

Dear Mr. President,

In the name of the Hungarian Students' Federation in Spain, we beg to convey to you our unanimous protest against the admission in the United Nations of the Delegation of the Kádár regime, which the General Assembly has itself branded as a regime "imposed on the Hungarian people by the armed intervention of the Union of the Soviet Socialist Republics". (Resolution 1133 /XX/ of the General Assembly Sept. 14 1957). The continuous presence of that Delegation in the General Assembly is an open challenge to international moral, a defiance to the principles laid down in the Charter and an outrage to the Hungarian people, who has demonstrated by its heroic sacrifice in 1956 its opposition to the Communist system.

We therefore respectfully request your Excellency, to do everything in his power, in order to cause the rejection of the credentials of the Representatives of that shameful Soviet-servant puppet regime.

With the highest consideration

*Szabados Gábor*
