

ESTI HIRLAP September 28, 1957.

At a Press Conference held 29th September, the correspondent of Reuter asked whether it is true that an attempt was made on the life of Marosan, on the life of a member of the Government or of some leaders of the Party.

The spokesman of the Ministry, Gyáros said in his answer: "These rumours are just as untrue as the rumour is not true about the arrest of Marosan which was sent out into the world by the Vienna Bureau of Reuter 8 - 10 days ago".
