

MUN 95 12 JUNE 1962
TO: KOERNER - NY
FM: GEIGER

121509:

RE STACK OF PHS FORMS SUBMITTED:

LAMB - TOO INEXPERIENCED.

TREFTZ - LOTS OF VARIETY IN A SHORT TIME. WOULD PREFER TO HAVE DEGREE FOR PROJECT ENGINEER.

GLENN - EXPERIENCE NOT EXACTLY DOWN OUR ALLEY, BUT RELATED. WOULD LIKE TO KNOW MORE ABOUT REASON FOR LEAVING ALPHA. YOU COULD CHECK BUCKY. MIGHT BE GOOD.

HACE - AGAIN NO DEGREE, MORE AN EXPERT TECHNICIAN TYPE THAN SELF-SUFFICIENT PROJECT ENGINEER, I WOULD GUESS. WE OUGHT TO BE ABLE TO DO BETTER.

SCHWARTZ - LOOKS CAPABLE, BUT PRETTY RICH FOR OUR POCKETBOOK.

SPIEGELMAN - LOTS OF DEGREES. SOMEHOW I'M NOT EXCITED.

SHELLEY - QUITE A HISTORY, BUT THE SALARY!!

KWARTIROFF - VERY EXPERIENCED APPARENTLY, BUT PROBABLY OUT OF OUR SALARY RANGE.

GAUDIOSO - NOT A CITIZEN.

SEKYRA - NO DOUBT HIGH PRICE. ALSO TAKES AGES TO CLEAR THIS TYPE.

TRYON - MIGHT WORK OUT AT GLORIA. I WONDER WHAT THE PRICE TAG READS.

COHEN - A GOOD ONE TO REPLACE ONE OF US!

PERHAPS YOU THINK I'M UNIMPRESSED BY THE CBS APPS. NOT SO, BUT I QUESTION WHETHER THEY WOULD REALLY FIT INTO OUR SOMEWHAT CRAZY PATCHWORK OF JOB DUTIES, ETC. THEY ALL HAVE GOOD TO EXCELLENT FORMAL EDUCATIONS, BUT NOTHING SHORT OF A PERSONAL INTERVIEW WILL TELL. THE SALARIES ARE HIGH, AND I'VE TAKEN /MORE/

PAGE 2: MUN 95:

THIS INTO ACCOUNT IN RECENT DISCUSSIONS RE GROUPINGS. IMMEDIATE NEEDS ARE FOR PROJECT MAN HERE, AND GLORIA ASS'T., AS YOU KNOW. GLENN LOOKS LIKE POSSIBILITY FOR FORMER. PREFER CAMPBELL/BRACIC TYPE FOR LATTER. WHAT ARE YOUR COMMENTS?

END MSG
