Valko CHERVENKOV's Brothers

SOURCE TRIESTE: A Bulgarian in exile, in contact with high Bulgarian political and commercial circles.

DATE OF OBSERVATION: December 1952.

EVAL. COMMENT: Existence of CHERVENKOV's brother (fnu), who has a job as driver with the "Alcohol Monopoly" enterprise in SOFIA is confirmed (see Item No. 1230/53,) but the second brother Borislev is not known to this office.

* * * *

CHERVENKOV has two brothers in SOFIA. One of them has a job as driver with the "Spirten Monopol" (Alcohol Monopoly,) while the other, Borislev, considerably younger than Valko, is at present working as a minesweeper and makes good money.

Two years ago the latter put in a request to be sent to BUDAPEST as Commercial Attaché, but his brother president denied him the realization of his ambitious dream.

The three CHERVENKOV brothers are not in accord as the two younger ones openly curse the Communist regime and its Bulgarian head. Borislev does not limit himself to that, but as soon as he can manage he takes particular pleasure in showing his friends some foreign magazines (such as the "Paris-Match",) for instance for the purpose of revealing the lies published by Communist propaganda.

End.
