Military

Soviet Lieutenant Attached To Bulgarian Political  
Police Forces.

SOURCE ROME : Confidential Source.

DATE OF OBSERVATION: Current period.

EVALUATION COMMENT : No information available here on the cited political police battalion command. However, there are special police units along the Bulgarian border, which work in close collaboration with trustworthy Communist Party members in the border districts.

\* \* \*

In TRN near the Bulgaro-Yugoslav border there is the command of a battalion of special Bulgarian political police troops. A Soviet lieutenant, whose name could be ascertained, is attached to this command. He is a strong man of medium height and about 35 years old. He always wears civilian clothes.
