+ + +

The following joke is current among Hungarians today:

First citizen of ESZTERGOM: Surely it is not true that you are going to BUDAPEST this week?

Second citizen of ESZTERGOM: Certainly it's true. Why should not I go?

First citizen: But surely you have heard? BUDAPEST is a very dangerous city nowadays. It has been definitely established that there is a Communist there, apart from RAKOSI--- but nobody knows who he is!
