BRIEF PASSAGE IN FULBRIGHT CHAPTER ON EUROPE REFERS TO POLISH-
GERMAN BORDER PROBLEM. THE PASSAGE READS:

"A DEGREE OF PRACTICAL RECONCILIATION BETWEEN WEST GERMANY AND
POLAND WOULD BE OF PARTICULAR VALUE, NOT ONLY TO HELP HEAL THE
LINGERING WOUNDS OF WORLD WAR TWO BUT ALSO TO ALLAY THE POLISH
FEAR THAT GERMANY MAY SOMEDAY SEEK TO RECOVER THE TERRITORIES
LOST TO POLAND IN 1945".

AM PLANNING TO INCLUDE THIS PASSAGE IN DRAFT DGS POINT.
HAVE POINTED THIS OUT TO WAGNER WHO WILL SEEK CLEARANCE FOR
BROADCAST IN USUAL MANNER.

REGARDS
