FROM MOFFAT
1236 PM.

RE MUN 19 8 JAN 64--

PHONED MARTY YESTERDAY AND DISCUSSED GLORIA PERSONNEL. HE PREFERS WEDNESDAY AFTERNOON RATHER THAN MONDAY FOR THIS PART OF THE AGENDA. HE FEELS THAT CAMPBELL HAS EXCELLENT POTENTIAL FOR AVANCEMENT WITHIN RARET OR PERHAPS AT RFE MUNICH BUT THAT SINCE HE IS NOT A GRADUATE OR LICENSED PROFESSIONAL ENGINEER HE SHOULD NOT BE ASSIGNED AS CHIEF OF TRANSMITTER FACILITIES EVEN ON AN ACTING BASIS. I CONCUR. SUCH STANDING IS NEEDED AS A REASONABLE PRECAUTION AND ASSURANCE OF RESPONSIBLE ENGINEERING MANAGEMENT AND OF COMPETENT TECHNICAL OPERATION OF THE STATION, AND ALSO TO ATTRACT AND HOLD PORTUGUESE GRADUATE ENGINEERS.

PAGE 2- NYC-31

UNTIL RECENT DISCUSSIONS WITH MARTY I HAD NOT BEEN AWARE OF THE IMMEDIACY AND ADVANCED STAGE OF THE PERSONNEL SITUATION AT GLORIA. TO LOSE EARL AT THIS JUNCTURE WOULD BE MOST INOPPORTUNE AND IN MY OPINION ILL-ADVISED PARTICULARLY IF THE CRUCIAL POINT IN CONTENTION IS HIS SALARY AND WAGE INCREASES FOR HIS STAFF.

UNABLE TO GET RESERVATIONS AT MANGER VANDERBILT. SEVERAL OTHER HOTELS ALSO FILLED, BUT WE HAVE MADE RESERVATIONS FOR YOU STARTING SUNDAY NIGHT AT HOTEL LANCASTER, 35TH STREET AND MADISON. HOOKING FORWARD TO YOUR VISIT.

REGARDS.

END MSG
