281555: VERY URGENT PLS PHONE

REFERENCE TRANSMISSION FROM CHICAGO. SINCE RADIO WARSAW HAS NOW FIRMED UP AND ANNOUNCED THEIR PLANS WE WOULD LIKE TO CHANGE THE TIME OF THE SECOND TRANSMISSION ON THE 30TH AND INCREASE IT BY 30 MINUTES, WHICH WOULD GIVE US A FULL HOUR OF TRANSMISSION TIME FROM 1 AM TO 2 AM MUNICH TIME.

WE SHOULD LIKE TO CHANGE THE TIME OF THE SECOND TRANSMISSION ON THE SECOND DATE WHILE LEAVING IT 30 MINUTES IN LENGTH WITH THE POSSIBILITY OF EXTENDING UP TO 10 MINUTES AND WE SHOULD LIKE TO COMMENCE THIS FEED AT 1:30 AM MUNICH TIME.

PLEASE ACCEPT OUR APOLOGY FOR THIS CHANGE IN TIME, BUT IT IS IMPERATIVE THAT RADIO WARSAW NOT GET ON THE AIR BEFORE WE COMMENCE OUR SECOND TRANSMISSION SO AS NOT TO COP OUR AUDIENCE.

ADDITIONAL FUNDS IN THE AMOUNT OF \$180 ARE BEING SET-ASIDE TO COVER THE INCREASE IN TIME OF THE SECOND TRANSMISSION ON THE FIRST DATE. THIS CREATES A TOTAL OF \$620 BEING SET ASIDE FOR THE COSTS FOR THE FIRST DAY.

THE TIMES AND LENGTHS OF THE FIRST TRANSMISSION ON BOTH DAYS REMAIN UNCHANGED.

NEW POINT: IS THERE A SPECIFIC TEST PERIOD ASSOCIATED WITH THESE FEEDS AND IF SO DO WE HAVE TO PAY FOR SAME AND COULD WE COMMENCE FEEDING AS SOON AS CIRCUIT CONTACT IS ESTABLISHED.

NEW POINT: DO YOU KNOW OR CAN YOU ASCERTAIN IF RADIO WARSAW IS PLANNING TO USE CABLE OR ARE THEY PLANNING TO USE SHORT WAVE. THIS LAST POINT VERY IMPORTANT.

MANY THANKS. BEST REGARDS AND OUR APOLOGIES AGAIN.

END MSG
